

AutoCAD Lab #6 - Fall 2020 SWJTU
Due Date: Thursday Nov. 5, 2020 before 8:00am

1. Recreate the Drawing.
 - a. Use *DrawingTemplate (1).dwg* from Canvas.
 - b. Use *Lab 6 - Homework* and *Lab 6 Closeup Details* for dimensions and views you need on your drawing.
 - c. Be sure to use the correct layers for each item (center, hidden, dimension)
 - d. Complete the isometric and orthographic views of both parts.
 - e. Dimension orthographic views
 - f. DO NOT dimension isometric views
 - g. Revise the Bill of Materials to add info for Detail Item 2.
 - h. Edit the Title Block to add your name and date.
 - i. Save as a .dwg and upload to Canvas.
2. Submit your ONE .dwg file to the appropriate Canvas dropbox before the due date.
