Code of Ethics

This code sets forth the code of ethics and professional standards to be observed by holders of documents of certification conferred by the Board of Certified Safety Professionals.

Certificants shall, in their professional activities, sustain and advance the integrity, honor, and prestige of the profession by adherence to these standards:

1. **HOLD** paramount the safety and health of people, the protection of the environment and protection of property in the performance of professional duties, and exercise their obligation to advise employers, clients, employees, the public, and appropriate authorities of danger and unacceptable risks to people, the environment, or property.
2. **BE** honest, fair, and impartial; act with responsibility and integrity. Adhere to high standards of ethical conduct with balanced care for the interests of the public, employers, clients, employees, colleagues, and the profession. Avoid all conduct or practice that is likely to discredit the profession or deceive the public.
3. **ISSUE** public statements only in an objective and truthful manner and only when founded upon knowledge of the facts and competence in the subject matter.
4. **UNDERTAKE** assignments only when qualified by education or experience in the specific technical fields involved. Accept responsibility for their continued professional development by acquiring and maintaining competence through continuing education, experience, professional training, and keeping current on relevant legal issues.
5. **AVOID** deceptive acts that falsify or misrepresent their academic or professional qualifications. Not misrepresent or exaggerate their degree of responsibility in or for the subject matter of prior assignments. Presentations incident to the solicitation of employment shall not misrepresent pertinent facts concerning employers, employees, associates, or past accomplishments with the intent and purpose of enhancing their qualifications and their work.
6. **CONDUCT** their professional relations by the highest standards of integrity and avoid compromise of their professional judgment by conflicts of interest. When becoming aware of professional misconduct by a BCSP certificant, take steps to bring that misconduct to the attention of the Board of Certified Safety Professionals.
7. **ACT** in a manner free of bias with regard to religion, ethnicity, gender, age, national origin, sexual orientation, or disability.
8. **SEEK** opportunities to be of constructive service in civic affairs and work for the advancement of the safety, health, and well-being of their community and their profession by sharing their knowledge and skills.
